The Greater Richmond Age Wave Plan Scorecard

ENGAGED

GOAL: People of all ages are connected through various volunteer, educational, or leisure pursuits that enhance quality of life.

OBJECTIVES:

1. Increase knowledge of **lifelong learning** and **civic engagement** opportunities.

2. Increase **volunteerism.**

3. Increase identification of **support networks** that engage older adults, such as neighborhood associations, faith communities, and workplaces.

INDICATORS:	A MEASURE OF:	LEVEL OF DATA:
# College attendees/graduates (by age)	Lifelong Learning /Engagement	City/County
Lifelong Learning Institute participation	Lifelong Learning /Support Networks	Zip Code
Senior Connections volunteer participation rates (by age)	Volunteerism	
"How often do you get the social and emotional support you need?"	Support Networks	County

LIVABLE

GOAL: Our region will offer housing, transportation, and design features that enable residents to live safely and with dignity through all the stages of their lives.

OBJECTIVES:

1. Increase opportunities for **affordable housing** and **home modification services** for older adults.

2. Increase **mobility** and **transportation infrastructure** in order to decrease isolation of older adults and persons with disabilities.

3. Improve **physical infrastructure** including accessibility to housing and public transportation.

4. Promote **public safety** and make **disaster planning** widely accessible.

INDICATORS:	A MEASURE OF:	LEVEL OF DATA:
Average age & # of nursing home residents at enrollment	Degree one is able to age in place	City/County
# of days prevented NH stays for home health and adult day care. Only Medicaid eligible.	Degree one is able to age in place	
Use of and investment in public transportation, especially for seniors	Transportation	Planning District
Total # of trips provided each year by Peer Place/Care Van/Access Chesterfield/GRTC	Transportation	
% of cost burdened households (housing greater than 30% of income) for different income categories	Affordable Housing	MSA
# of lower income federally assisted rental units vs. need	Affordable Housing	MSA
Senior Housing (Affordability & Accessibility)	Senior Housing Issues	
Crimes against seniors	Public Safety	CO, MSA?

STABLE

GOAL: Individuals of all ages are able to obtain jobs and to access services that help to build and safeguard assets, plan for retirement, lead productive lifestyles, and care for loved ones.

OBJECTIVES:

1. Encourage **businesses to invest in older adult workers**.
2. Increase **workforce entry and retention** for older adults who choose to remain in the workforce.
3. Increase options for **financial security and stability** of older adults.
